

Selwyn Oaks, Papakura Welcome from your Chaplain

Warm Greetings!

I take this opportunity of welcoming you to Selwyn Oaks and to let you know about the chaplaincy service that is available to all our residents as part of the overall Christian aged care that the Selwyn Foundation aims to provide.

Our Vision

As chaplains, we aim to contribute to an environment where...

- **residents and staff are valued**
- **residents are enabled to have their spiritual and pastoral needs nurtured**
- **and staff members have access to pastoral and spiritual care**

Pastoral Care

Pastoral care aims to help you through difficult times and to celebrate your joys. Services may include listening to your concerns, blessing your home or room, supporting you in times of grief, visiting when you are unwell, praying with you and visiting when you so request.

I wish you every blessing and every happiness in your new life with us at Selwyn Oaks.

Irene Brodie,
Chaplain.
