

# Selwyn Park, Whangarei

# Welcome from your Chaplain

## Warm Greetings!

As the village chaplain I would like to welcome you to Selwyn Park.

The Selwyn Foundation acknowledges the importance of the spiritual care of all residents and staff. Christian faith is an element of The Selwyn Way which encourages us to reflect the love of God in every aspect of our work.

The chaplaincy service is available to all residents, their relatives/whanau and staff for all spiritual, including religious and pastoral needs.

## Pastoral Care

The pastoral care we provide is aimed to help you get through difficult times and to celebrate your happy times. We are available to listen to your concerns, provide spiritual and emotional support, offer friendship, reflection, counsel and encouragement, bless you home or room, visit you when you are unwell, support you in times of grief and pray with you when you request a visit.

We hope you settle in happily and wish you every blessing in your life with us at Selwyn Park

Susanne Green,  
Chaplain.

## Chapel Services
