Keynote Speaker

Revd. Dr. Helen Wordsworth RN, RM, RHV (tutor), RNT, MTh, DMin, QN.

Helen was a nurse educator before becoming a Baptist minister, she co-founded Parish Nursing UK. Since then Helen has completed a doctorate in practical theology: this involved an overview of the available studies on Parish Nursing, an examination of the nature of mission as the task of the local church, and a mixed method study of 15 churches with Parish Nurses, comparing them with 77 churches without a Parish Nurse. This work is now published as a resource for churches: "Rediscovering a Ministry of Health: Parish nursing as a mission of the local church."
