

## Our Vision

To contribute to an environment where staff are valued and have access to pastoral and spiritual care.

- Spirituality includes the need to find satisfactory answers to ultimate questions about meaning of life, illness and health.
- Perceived in this way spirituality is present in everyone.

Did you see the survey?

# The survey

## The results

- Low response
- Good cross section
- Gender reflected the work force
- Good age balance
- Majority felt supported - our goal is for always!
- Majority felt adequate time was spent with the chaplain but not everyone - goal is to create opportunity and time so you do feel that you had the time you needed.

We want to know!

## May feel risky

In supporting **YOU** it's important that we get it:

- Respect
- Comfortableness
- Cultural appropriateness
- Non non-judgmental
- Confidentiality

# Chaplains are part of your team

As colleague or a support service

- What would help us be more accessible?
- What might more spiritual/pastoral care look like for you?

# Who me talk to a chaplain?

- Who?
- Why?
- When?
- How?

## Reflections on this survey

- How publicised was the survey?
- How accessible was the survey?
- What might have stopped you from filling out the survey?
  - Time
  - Interest
  - Relevancy
- What would you like us to know?
- What question do you have today?

Look out for the next survey (!) as we continue to develop this vital aspect of the Selwyn Way and please be encouraged to offer your thoughts and feedback any time.

# Spiritual wellness

Spiritual wellness helps us make sense of our life.

Spirituality helps us pay attention to the right things.

# Thank-you!

Chaplains/spiritual care givers are available to help in the care of what is important for you as you care for others.
