

Selwyn Village

Welcome from your Chaplain

Warm Greetings!

We take this opportunity to welcome you to Selwyn Village and to let you know about the chaplaincy services that are available to all our residents and staff as part of the overall Christian care that The Selwyn Foundation aims to provide.

Pastoral care aims to help you through difficult times and celebrate your joys. Services may include listening to your concerns, blessing your home or room, supporting you in times of grief, visiting you when you are unwell, praying with you and visiting when you request.

We wish you every blessing and every happiness in your new life with us at Selwyn Village.

Please leave a message, if the chaplain is not able to answer the telephone. The chaplains' offices are located on the north side of the Chapel of Christ the King.

A chaplain is on call 24 hours a day.

With our best wishes

Marianne Hornburg
Chaplain
Spiritual Care Coordinator
