Note: All charges are per person and are subject to change as outlined in our contract. Our standard daily rate is based on the maximum contribution (inclusive of GST) that a resident is required to pay for contracted care services under Section 152 of the Social Security Act 1964. Visit www.health.govt.nz. Residents are charged on a monthly basis. If you are eligible for a subsidy, please note that you will be responsible for paying the difference between the standard and premium rate.
